

Enriched with colonizing populations of phosphorus-oxidizing microbes and a proprietary blend of organically derived BioActivites™, PrimAgro P™ delivers both ortho- and carbon-protected polymer phosphate, providing available phosphorus throughout the growing season. PrimAgro™ Technology allows poor soils to more effectively hold applied nutrients. In better soils, the technology stimulates fungal and bacterial decomposition that releases phosphorus held within organic matter.

### Technical Data

#### DIRECTIONS FOR USE

The quality and composition of PrimAgro P™ allows placement directly into the root zone with little risk of tissue damage, giving PrimAgro P™ greater efficacy and more application flexibility.

#### PrimAgro P™ can be applied:

- with versatile planter placement options, including in-furrow applications
- broadcast or banded over the top of the seed zone
- as a topdress or sidedress application
- as a foliar treatment
- through fertigation
- with crop protection products

Broadcast application may reduce PrimAgro P™ efficiency.

## Composition Guaranteed Analysis

### Total Nitrogen (N)

**8.00%**

1.00% Nitrate Nitrogen  
6.00% Ammoniacal Nitrogen  
1.00% Urea Nitrogen

### Available Phosphate (P<sub>2</sub>O<sub>5</sub>)

**22.00%**

### Soluble Potash (K<sub>2</sub>O)

**2.00%**

### Sulfur (S)

**1.00%**

1.00% Combined Sulfur

### Molybdenum (Mo)

**0.0005%**

Derived from: Ammonium Nitrate, Ammonium Sulfate, Urea, Superphosphoric Acid, Potassium Polyphosphate

#### ALSO CONTAINS NON PLANT FOOD INGREDIENTS

Contains 401 million total colony forming units per gallon (4.01x10<sup>8</sup> total CFU/gallon) of the following bacteria:

*Bacillus subtilis*. . . . . 5.30x10<sup>4</sup> CFU/mL  
*Bacillus methylotrophicus* . . . . . 5.30x10<sup>4</sup> CFU/mL

WARNING: This product contains molybdenum (Mo). Crops high in molybdenum can be toxic to ruminant animals. Use only according to manufacturer's directions. Microorganisms exempt from CFR requirements – 40 CFR 725. Store in a cool, dark place to maximize shelf life. Expires 12 months from delivery date.

**Consult your Agroliquid representative for specific mixing, use recommendations, and rates.**
